ABSTRACT

Eighty-six journal references cite games to promote multicultural education in elementary and junior high schools. The games are divided into the following curriculum areas: (1) social studies, (2) reading, (3) math, (4) language arts, (5) speech, (6) science, (7) health and safety, (8) home economics, (9) physical education, (10) music, and (11) miscellaneous. (MK)
